The First Assistant to the Resident

To

The District Magistrate,
Civil and Military Station.

Dated, Bangalore, 5 March 1901.

Sir,

I am directed to refer to the correspondence resting with your letter No.2371 dated the 7th September 1900, regarding the importation into Bangalore of a consignment of shot without license by Haji Madar Saib and Co;

2. The facts of the case are as follows:-
On the 29th March 1900, the Commissioner of Police, Madras, informed this office that Haji Madar Saib and Co; had imported into Bangalore without a license, a consignment of shot. He forwarded a goods consignment note in which definite mention was made of shot as forming part of ^{the} goods imported. On the 20th April 1900 he again addressed the Resident stating that the consignor was said to be a partner of Haji Madar Saib & Co, and suggesting that he should be prosecuted in Bangalore. On receipt of this information the Durbar were addressed, but they in reply reported that the dealers denied the receipt of the consignment; no mention of which was traceable in their accounts. The suggestion was added that enquiries might

be made in the Civil and Military Station where a branch shop of the firm exists. You were then addressed in this office letter No-2867 dated the 16th June 1900, and with your letter No.2164 dated the 14th August 1900 you forwarded the report of an enquiry made by the District Superintendent of Police, Civil and Military Station, which showed that the consignment note had undoubtedly been signed by one Abdul Rahimon of Gadangu Theru in Madras. Haji Madar Saib & Co, denied having received the shot, as well as all knowledge of any Abdul Rahiman of Gadangu Theur in Madras. All that could be proved regarding the delivery of the goods was that one Labbub Alam, servant of a Contrator Hyat Khan, had received the shot and signed the delivery book: but he was not to be found. On the 20th September 1900, the Commissioner of Police, Madras, informed this office that it had been ascertained that on the same date as that on which the consignment of shot was forwarded from Madras, a person of the same name viz: Abdul Rahiman had sent to Haji Madar Saib & Co, a consignment of crockery. There was thus good reason to believe that the firm had made an untrue statement when they said that they knew of no Abdul Rahiman, and on further enquiry you obtained and forwarded a statement signed by a member of the firm of Haji Madar Saib & Co, admitting that Abdul Rahiman was working for the firm and had sent goods for the firm from Madras. This document showed that the Firm had formerly made a false statement when they said they knew nothing of Abdul Rahiman the signer of the goods note, and though the fact is not susceptible of proof in a Court of Law, it may be taken

as certain that the firm did import the shot without a license.

3. In these circumstances, I am directed by the Resident to request that Haji Madar Saib & Co, Civil and Military Station, be informed that their license will not be renewed, and that they will not be allowed to import any more ammunition into the Civil and Military Station of Bangalore.
